FROM RAW MATERIALS TO FINISHED PRODUCTS.

A new generation of products transformed in Benin.

At the Glo-Djigbé Industrial Zone, local transformation is taking shape through products designed, manufactured and packaged in Benin to serve local, regional and international markets.
Textiles and home linen, building materials, agro-processing and cosmetics: this catalogue presents a selection of products from the GDIZ industrial ecosystem.

Behind every product is a production capability.
Behind every capability is a business opportunity.

INVEST.
SOURCE.
CLOSE DEALS.

The Special Economic Zones Investment Forum 2026 brings together investors, manufacturers, buyers and partners around one clear objective: turning industrial opportunities into investments, supply contracts and commercial partnerships.

Over two days, the Forum provides an opportunity to discover GDIZ's industrial capabilities, engage directly with manufacturers and identify the conditions required to develop new business relationships.

FINANCING TRADE. ACCELERATING INDUSTRIALISATION.

Afreximbank is a Pan-African multilateral financial institution whose mandate is to stimulate the expansion, diversification and development of African trade.
Since its establishment in 1993, the Bank has supported intra-African and extra-African trade through financing solutions, trade facilitation instruments and investment-support initiatives.

A key component of this mandate is to facilitate industrialisation and export development across Africa, supporting local processing, stronger productive capacity and the development of higher-value products.
Through its financing and trade-development activities, Afreximbank helps African businesses and industries produce, transform, trade and connect with new markets.

FROM INVESTMENT TO PRODUCTION.
FROM PRODUCTION TO MARKETS.

FOCUS Special Economic Zones Investment Forum brings this ambition to life by connecting finance, industry and trade.

Investors, manufacturers and buyers come together around existing opportunities, operational industrial capacity and products already ready for market.

DISCOVER WHAT IS MADE AT GDIZ.

BTEX

FROM AFRICAN COTTON TO FINISHED PRODUCTS.

Transform more. Create more value.

At GDIZ, cotton is no longer simply a raw material. It becomes towels, bed linen, garments and finished textile products.

BTEX transforms locally grown cotton through integrated industrial facilities and manufactures textile products for African and international markets.

Its offer includes towels, bed linen and garments, with customisation capabilities including embroidery, finishing and packaging.

BENIN TEXTILE SA

About us

Benin Textile SA (BTEX) is a pioneering textile hub in the Glo-Djigbé Industrial Zone (GDIZ), a public–private partnership between the Government of Benin, private ginners and ARISE Integrated Industrial Platforms (ARISE IIP). By transforming locally grown cotton into finished goods, BTEX is redefining the story of African textiles with products proudly labeled Made in Africa.

Equipped with advanced technology, integrated infrastructure, and a highly trained workforce, BTEX delivers world-class textiles to discerning clients in Europe, Africa, and beyond. Its product line includes plush 700 GSM towels, satin-stripe bed linens up to 320 TC, and versatile garments, all of which are crafted with care and durability. Custom embroidery, finishing, and packaging options provide brands with flexibility while offering competitive pricing and low minimum orders.

Sustainability lies at the core of BTEX's operations, with growth aligned to international ESG standards. By combining Beninese craftsmanship, global quality standards, and responsible production practices, BTEX provides clients with reliable access to textiles that embody excellence and sustainability.

ABOUT US

Afrikan Ceramics Solutions (ACS)

Pioneering Excellence in Ceramic Tile Manufacturing

Company Profile

Afrikan Ceramics Solutions (ACS) is a premier industrial enterprise headquartered in the Glo-Djigbé Industrial Zone (GDIZ), Republic of Benin. As the nation's inaugural and West Africa's most advanced ceramic tile manufacturing facility, ACS leads the industry in the production of:

- Glazed ceramic tiles
- Unglazed tiles
- Full-body porcelain tiles

Renowned for our unwavering commitment to quality, innovation, and sophisticated design, ACS sets the benchmark for excellence in the region.

Manufacturing Excellence

Our state-of-the-art production facility, with an annual installed capacity of 3,000,000 m², is equipped with cutting-edge technology from global industry leaders:

- SACMI (Italy)
- SYSTEM CERAMICS (Italy & India)
- Modena Technology (China)

This advanced infrastructure ensures precision engineering, superior product consistency, and unmatched durability across our tile collections.

Brand Portfolio

- ELANO: Our flagship brand, celebrated for its contemporary aesthetics, exceptional durability, and premium finishes.
- GRACIA (Coming Soon): A dynamic new brand designed to expand our offerings and meet diverse customer preferences.

Certifications & Standards

- ACS upholds the highest international standards, certified by:
- ISO 9001 (Quality Management)
- ISO 14001 (Environmental Management)
- ISO 45001 (Occupational Health & Safety)
- UPEC (Performance certification for demanding environments)

ACS embodies the fusion of African ambition and global craftsmanship, delivering tiles that redefine spaces with elegance and resilience.

Environmental Sustainability Commitment

Afrikan Ceramics Solutions (ACS) – Pioneering Sustainable Manufacturing

At Afrikan Ceramics Solutions (ACS), we recognize that industrial progress must harmonize with environmental stewardship. As a leader in West Africa's ceramic tile industry, we are committed to minimizing our ecological footprint while delivering premium products. Our sustainability strategy is rooted in innovation, efficiency, and responsible resource management, aligning with global standards and local needs.

1. Sustainable Production Practices

We integrate energy-efficient technologies and closed-loop systems across our manufacturing processes to reduce waste and emissions. Key initiatives include:

- Water Recycling: Advanced treatment systems reuse 90% of process water, minimizing freshwater consumption.
- Low-Emission Kilns: Cutting-edge SACMI kilns optimize energy use and reduce CO_2 emissions by 25% compared to conventional systems.
- Raw Material Sourcing: Locally sourced minerals and recycled materials (up to 40% in select product lines) decrease transport-related carbon impacts.

2. Certifications & Compliance

ACS adheres to stringent international environmental standards, including:

- ISO 14001: Certified for systematic environmental management.
- UPEC: Ensures product durability, reducing replacement frequency and long-term waste.
- Zero Landfill Policy: 98% of production waste (e.g., ceramic dust, sludge) is recycled.

3. Renewable Energy Transition

By 2026, 30% of our energy will be sourced from solar power, with phased investments in hybrid renewable systems. Our facility's design maximizes natural light and ventilation, lowering dependency on artificial energy.

SOBECO :
L'EXPERTISE AU CŒUR DE LA BEAUTÉ

Société Béninoise de Cosmétiques

A PROPOS DE NOUS / *ABOUT US*

SOBECO (Société Béninoise de Cosmétiques) est une entreprise innovante spécialisée dans la production et la commercialisation de cosmétiques de haute qualité. Implantée dans la **zone industrielle du Bénin (GDIZ),** elle s'impose comme un acteur clé en Afrique de l'Ouest, avec pour ambition de révolutionner le secteur grâce à une expertise industrielle avancée.

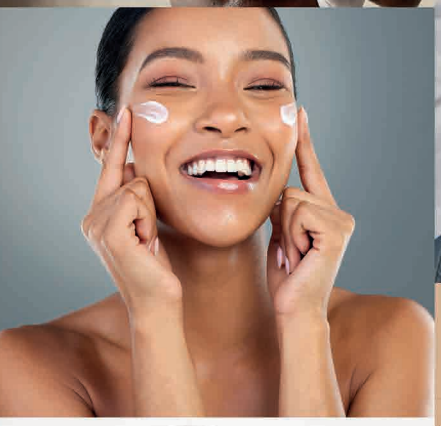

Alliant **innovation, qualité et performance,** elle intègre des technologies de pointe et des processus rigoureux pour garantir l'excellence de ses produits sur les marchés régionaux et internationaux.

SOBECO (Beninese Cosmetics Company) is an innovative company specialized in the production and distribution of high-quality cosmetic products. Established within Benin's Industrial Zone (GDIZ), it stands out as a key player in West Africa, driven by the ambition to transform the cosmetics sector through advanced industrial expertise.

By combining innovation, quality, and performance, SOBECO integrates cutting-edge technologies and rigorous manufacturing processes to ensure product excellence across regional and international markets.

NOTRE MANIFESTE / *OUR MANIFESTO*

Chez SOBECO, nous croyons en une beauté responsable, authentique et tournée vers l'avenir.
Inspirés par les richesses naturelles et la diversité des peaux issues de l'Afrique, nous concevons des soins alliant science, innovation et exigence de qualité, dans le respect de la peau et de l'environnement.

Nous révélons la beauté sans la transformer, en l'honorant et en la sublimant, selon des standards internationaux.
SOBECO s'affirme comme une référence de la cosmétique responsable et innovante, portée par une vision africaine et une ambition mondiale.

SOBECO — L'expertise au cœur de la beauté.

At SOBECO, we believe in responsible, authentic, and forward-thinking beauty.
Inspired by the natural riches and diversity of African skin, we develop skincare products that combine science, innovation, and high quality standards, while respecting the skin and the environment.

Inspired by Africa's natural richness and ancestral expertise, SOBECO reveals the beauty of African women without altering it—by honoring it.
With us, African beauty is naturally revealed.

SOBECO – Expertise at the Heart of Beauty.

NOTRE MISSION / *OUR MISSION*

La mission de SOBECO est d'offrir des produits cosmétiques de haute qualité adaptés aux divers types de peau, tout en révolutionnant l'industrie cosmétique au Bénin et bien au-delà.
L'entreprise vise à :

- Proposer des soins performants, conçus avec des technologies avancées.
- Élever les standards de la cosmétique locale pour rivaliser avec les grandes marques internationales.
- Contribuer au développement industriel et économique de la région en s'imposant comme un leader du secteur.

SOBECO's mission is to deliver high-quality cosmetic products tailored to diverse skin types, while transforming the cosmetics industry in Benin and beyond.
The company aims to :

- Provide high-performance skincare solutions developed using advanced technologies.
- Elevate local cosmetic standards to compete with leading international brands.
- Contribute to the region's industrial and economic development by establishing itself as a sector leader.

NOTRE VISION / *OUR VISION*

SOBECO ambitionne de devenir une référence incontournable de la cosmétique en Afrique et à l'international.
Avec une capacité de production en constante évolution et une volonté d'expansion au-delà du Bénin, l'entreprise s'engage à :

- S'imposer sur le marché (Bénin, Nigeria, sous-région africaine et à l'international).
- Développer une marque forte et innovante, reconnue pour son expertise et son impact.
- Créer une industrie cosmétique Béninoise compétitive et influente à l'échelle mondiale.

SOBECO ne se contente pas de suivre les tendances : elle les façonne.

SOBECO aims to become a leading reference in the cosmetics industry across Africa and on the global stage.
With continuously expanding production capacity and a strong commitment to growth beyond Benin, the company is dedicated to:

- Establishing a strong presence in key markets (Benin, Nigeria, the African sub-region, and internationally).
- Building a powerful and innovative brand, recognized for its expertise and impact.
- Creating a competitive and influential Beninese cosmetics industry with global reach.

SOBECO does not simply follow trends — it shapes them.

NOS VALEURS / *OUR VALUES*

SOBECO repose sur quatre valeurs fondamentales :

- **Qualité :** Des formulations hautement contrôlées et des matières premières soigneusement sélectionnées pour garantir des produits d'exception.
- **Innovation :** Un investissement permanent dans la recherche et le développement pour proposer des soins et des produits toujours plus performants.
- **Excellence :** Une exigence à tous les niveaux, de la production à la commercialisation, pour asseoir la crédibilité et la notoriété de la marque.
- **Responsabilité :** Une cosmétique consciente, respectueuse de la peau, et de l'environnement de l'utilisateur.

SOBECO is built on four core values:

- **Quality :** Rigorously controlled formulations and carefully selected raw materials to deliver products of exceptional quality.
- **Innovation :** Ongoing investment in research and development to create increasingly high-performance skincare solutions and products.
- **Excellence :** A commitment to the highest standards at every stage, from manufacturing to market launch, reinforcing the brand's credibility and recognition.
- **Responsibility:** Conscious cosmetics that respect the skin and the user's environment.
